Presents

THE KNUCKLES

Born of Indian craftsmanship, this cup gripper is what you need to protect your hands while echoing the **Moody Judy Inc.®** vibe. Despite its minimalist design, this holder doesn't even need a coaster.

Made from a single piece of laser cut acrylic, **The Knuckles™** are designed to provide you with the feeling of power behind the punch of caffeine from our home-brewed beverages.

Just place your cup in **The Knuckles™** and you're good to go!

Product Features

- ❖ Unique, single-piece acrylic frame that eliminates direct contact with steaming cup.
 - ❖ Built-in coaster that prevents table rings.
- ❖ One size fits all, brass knuckle design that is easy to hold.
